Parent/Guardian Participation & Responsibilities

Uniform Policy: Each player will receive a jersey along with a pair of baseball socks. This will be the players to keep at the end of the season. Each family is to furnish their own grey (baseball) / black (softball) pants to complete the uniform.

Concession- Each parent is **required** to work in the concession stand during the baseball season during their child's team assigned time. Your cooperation and help in running the concession stand helps fund the umpire fees and keep costs at a minimum for the kids.

Conduct- As a parent/guardian, you will do your best to ensure that your child/children is/are at all practices and games. You also understand that it is up to the manager/coaches to set practice days/times and the scheduling of game days/times. You will communicate with the coach if your child will not be there when practices/games are scheduled. It is important that parents/guardians be involved in the child's experience if not as a manager or coach then as a supporter attending as many games and practices as possible. Only POSITIVE conduct is acceptable!

Team Request- We will do our best to accommodate parent/player requests with in our community but, we cannot guarantee your requests will be met. All requests outside our community will be taken to the county, they MUST approve all requests.

Photos- Please check this box if you **DO NOT** allow your child's photo to be used on the website, social media and/or in the newspaper as it relates to baseball/softball.
